Agriculture Lending: Updates & Issues

Telephone / Webinar scheduled 2:00 - 3:30 pm

The first decade of the 21st Century is in the books. In the past 10 years, there have been surprises around every corner. What's around the corner and down the road for the next decade? Find out what is happening globally that will impact agriculture locally. This session will examine key metrics that will provide insight into this critical year in the economy. Interest rates, inflation, land values, and oil prices will be covered. **SPECIAL NOTICE TO REGISTRANTS: To customize this webinar, registrants are asked to submit up to two questions each concerning agricultural issues. Questions will be addressed in the order received, so submit your questions early! Email your questions to Dr. Kohl at sullylab@vt.edu by Thursday, April 22nd with "Webinar Questions" as the subject line.**

HIGHLIGHTS

- Domestic and global marketplace impact
- The future of interest rates
- Underwriting standards and financial metrics
- Positioning your bank in this environment
- Get your questions answered by one of the leading experts in agriculture economic finance
